

Keynote Speaker: Mr. John Perricone

“Developing a Philosophical Identity”

Professional Development for Hospice Caregivers

John Perricone is a best-selling author and nationally sought Keynote Speaker having been invited to speak in all 50 states.

He has been lauded across the country for his work in inviting nurses and other health-care professionals to reflect upon their personal philosophies of life and the role that that philosophy plays in shaping their work ethic and the profundity of their professional calling.

In his program entitled:

"Developing a Philosophical Identity"

If you are looking for a
Keynote Speaker
for a successful professional
development day or conference,
contact:

he will compellingly invite his audience to participate in a series of introspective exercises that are designed to help better know themselves and the professional path upon which they have embarked.
